5 Things your cell phone can do for you

**February 2007**

The annual 5 Club Party on Friday night was

once again a great evening for all those qualifying to attend. This year’s party had a new twist, for it featured a night of comedy, truly great entertainment for a most appreciative audience.

## Special Treat For Ohio Moose Assistant Director of Membership Byron Dalton Visits Ohio Lodges in April!

Assistant Director of Membership Byron G. Dalton, will officially represent Moose International as guest speaker for two special class enrollments in Ohio:

**Wednesday, April 25th  
at 7:00 P.M.  
at Middletown Lodge 501**

**Thursday, April 26th  
at 7:00 P.M.  
at Montpelier Lodge 312**

Byron G. Dalton was appointed to the post of Assistant Director of the Member Relations Department for Moose International, supervising the Great Lakes Region, in October 2005.

Before becoming affiliated with Moose International, Byron had served as a system's administrator for the United States Naval Hospital Corps.

Byron joined Elgin, IL Lodge 799 in 1991. Active from the very beginning of his membership, Byron served as Trustee, Prelate, Jr. Governor, and Governor of his Lodge.

A member of Mecca Moose Legion 9, Byron served through all the directors' chairs, as well as on the Financial and Fraternal committees, and as Chaplain.

Byron received the Illini Shining Star Award as Moose Legionnaire of the Year in 2002. He also received his Fellowship Degree of Honor in the same year.

Byron resides with his wife Terri in Elgin. The couple has three children and seven grandchildren.

Ohio Moose members welcomed Byron to Annual Convention in August 2006 and enjoyed his sharing of his wisdom of the workings of the Moose. Now Ohio members can have an even closer relationship with Byron by attending either of these two special enrollments.

See you either in Middletown or Montpelier!

## District #1 and Norwood Lodge 301 Provide Great Hospitality At Mid-Year!

Folks enjoyed the great hospitality at District #1's room at the recently concluded Mid-Year Conference. **UPPER LEFT:** Kristie Paul, Norwood Chapter 742, celebrates the receiving of the Academy of Friendship Degree on Sunday. **TOP RIGHT:** Pilgrim Ken Malloy, Lodge 301, helps as he can. **BOTTOM FAR LEFT:** Hamilton 36 Governor Joe Fry encourages hospitality by example.

## Hello, Ohio Golfers! Here's the Latest Inside Poop!

by Danny Albert

Senior Golf Chairman

Although not many golfers are philosophers, some of us are; hence, our weekly observations about the great game. Let me share with you a recent comment from a prominent Ohio Senior Golfer. He said, "You know, I have never been able to reconcile the game of golf between the green and the rest of the golf course. To illustrate, consider that from the time you leave the tee until you're on the green, you take huge sticks, with huge heads, and knock hell out of the ball. Then, when you're on the green, you take a little stick and **ROLL THE BALL!**

Go figure!

**OBSERVATION # 23 - Golf, as you probably have observed, is a game of contradictions: You hit down to make the ball go up. You swing left and the ball goes right. The lowest score wins. And, on top of that, the winner buys the drinks!**

## A Special Note From OSMA Sports Director Buck Dials

Hey, Ohio Administrators, Governors, and Sports Chairmen:

Everyone knows that no one enjoys good times better than I do. Can we get serious here for a moment? We're in trouble!

In recent years, the numbers of our participants have dramatically lowered in our most solid sports offerings: bowling, golfing, basketball, and softball, for examples. Is it that people no longer enjoy these sports? Or is it that at the local lodge level we simply have not presented our sports programs properly, nor have we emphasized enough the importance of having participation as part of our lodge program?

Regardless of the reasons, let me assure you that if the downward trend continues, our sports programs are going to suffer significantly.

What can we do about it? As Sports Director, I can do nothing! As local Lodge administrators, governors, and sports chairmen, you can do a lot! As administrator, you can confer with your governor and, in effect, get on his arse! He needs to consult with his chairmen and compel them to get the job done. Each chairman will have the support of the Lodge so far as posters and information are concerned. Enough said? -- *Buck*

# FIVE THINGS YOU NEVER KNEW YOUR CELL PHONE COULD DO

There are a few things that can be done in times of grave emergencies. Your mobile phone can actually be a life saver or an emergency tool for survival. Check out the things that you can do with it:

## FIRST -- Emergency

The Emergency Number worldwide for Mobile is 112. If you find yourself out of the coverage area of your mobile; network and there is an emergency, dial 112 and the mobile will search any existing network to establish the emergency number for you, and interestingly this number 112 can be dialed even if the keypad is locked. Try it out.

## SECOND -- Have you locked your keys in the car?

Does your car have remote keyless entry? This may come in handy someday. Good reason to own a cell phone: If you lock your keys in the car and the spare keys are at home, call someone at home on their cell phone from your cell phone. Hold your cell phone about a foot from your car door and have the person! at your home! e press the unlock button, holding it near the mobile phone on their end. Your car will unlock. Saves someone from having to drive your keys to you. Distance is no object. You could be hundreds of miles away, and if you can reach someone who has the other "remote" for your car, you can unlock the doors (or the trunk).

EDITOR'S NOTE: It works fine! We tried it out and it unlocked our car over a cell phone!"

## THIRD -- Hidden Battery Power

Imagine your cell battery is very low. To activate, press the keys \*3370# and your cell! will restart with this reserve

and the instrument will show a 50% increase in battery. This reserve will get charged when you charge your cell next time.

## FOURTH -- Disabling a STOLEN mobile phone

To check your Mobile phone's serial number, key in the following digits on your phone: \* # 0 6 # A 15-digit code will appear on the screen. This number is unique to your handset. Write it down and keep it somewhere safe. When your phone get stolen, you can phone your service provider and give them this code. They will then be able to block your handset so even if the thief changes the SIM card, your phone will be totally useless. You probably won't get your phone back, but at least you know that whoever stole it can't use/sell it either. If everybody does this, there would be no point in people stealing mobile phones.

And Finally....

## FIFTH

### Free Directory Service for Cells

Cell phone companies are charging us \$1.00 to \$1.75 or more for 411 information calls when they don't have to. Most of us do not carry a telephone directory in our vehicle, which makes this situation even more of a problem. When you need to use the 411 inform! axion option, simply dial: (800) FREE 411, or (800) 373-3411 without incurring any charge at all. Program this into your cell phone now. Since this is the kind of information people don't mind receiving, pass it on to your family and friends.
