

February 2012

Ohio State Moose Association
731 Harding Way West
Galion, OH 44833

Dear OH State Moose Association Members,

On behalf of the Safe Surfin' Team, thank you for your generosity and dedication to the Safe Surfin' mission with your donation of \$3097.00

The Safe Surfin' Foundation has added another element to its mission with the implementation of the Law Enforcement Agency Assistance Program (LEAAP). Our first project is now rolling out, called; "**Cop-in-a-Box**". Thanks to the dedicated support of Moose International, you have made it possible to completely equip law enforcement agencies with all the tools they need to get them up and running and trained to become Internet crime investigators. Without your help, budget shortfalls would most likely make it impossible for them to add an online investigator.

"**Cop-in-a-Box**" is already gaining national attention and the support of individual lodges like yours is being touted as the organization responsible for improving the ratio of cops vs. Internet predators! Interested agencies are now joining the nationwide Internet Crimes Against Children (ICAC) Task Force and are training for the present and the future of crime fighting, and most importantly, protecting our children from Online sexual predators.

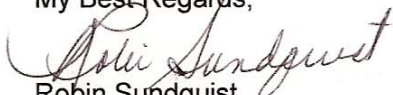

Safe Surfin' will also continue to supply Internet safety educational materials at *no charge* to the user. We must educate children of all ages, their parents and teachers too, about appropriate and safe Internet behavior.

Moose international – Safe Surfin' Foundation – ICAC Law Enforcement
Together, we are expanding the 'web of protection' that is being woven across the country!

Remember: A child's innocence can never be replaced.

The generous support from Moose International has greatly impacted our efforts to do everything we can to save the innocent from falling victim to online sexual predators. Thank you!

My Best Regards,

Robin Sundquist
Deputy Executive Director
