

Painesville Moose Lodge 490 and Valued Veterans..Stuff the Bus!

On Saturday October 6, 2018, the Valued Veterans along with the Painesville Moose Lodge # 490 sponsored a Stuff the Bus event at our Lodge. The Sub Zero Mission sponsors the Stuff the Bus events all around Lake, Cuyahoga and Ashtabula counties to provide winter jackets, sleeping bags, winter hats and gloves, blankets and other items that are given to the homeless people and the homeless veterans in our area to use in the Ohio winter. We ran the event from 12 m to 4 pm. The VV crew grilled hot dogs for the bus crew and whom ever wanted to stop by. We had a great turn out and had lots if donations from our lodge members. Lodge members also gave cash donations for this cause. I heard from a few of our lodge members that the Elks lodge down the street wanted to get involved, so next year, I will reach out the their club and make it a joint venture.
