Ohio First
Association in the
Fraternity to form a
Valued Veterans
Activity Group!

I have the pleasure of letting you know... it is "official" ...The Ohio State Moose Association Valued Veterans Activity Group "Ohio State Moose Valued Veterans" is all set up! In doing this we have become the "first" State Association Group within the Fraternity! This is history in the making and I am please that Ohio is the pioneer of and for this new Valued Veteran program. Everyone is now starting to follow in the same path... however... Ohio will always be known for doing it first and making it happen.

Thanks for everyone's support of the Valued Veteran's Program!!
