

OSMA – W.O.T.M.

Paraphernalia Recycle Program

Have you lost an earring or charm?

Did your cat use your tassel as a play toy?

Outgrown your blazer or moved up to a higher degree?

Our goal is to find use for those items you have taking up space in your house that you no longer use. By keeping them out of landfills we can help a fraternal sister find the items they need. Shirts, Jackets, Pins, Charms, rings and campaign items - we accept all of your Moose items!

A database of donated items will be maintained and distributed on a first come - first serve basis. It is important that you know that these items are to be donated, the only monies involved are the cost of shipping the item.

Simply send an email to: Recycle_4_Me@hotmail.com with your contact information , the size and item you wish to donate or the size and item you need. You may also call: 330-980-9014 and give your information.

Karen Hurst
