Governor's Corner

Hey 73,

How about some fun facts?
Did you know on average the Mooseheart student body as a whole grows 1,000 inches taller per school year? Grows 1,000lbs per year. They lose about 4,000 teeth and grow 5,600 new ones per year. (tooth fairy!!) They have an average foot growth that requires about 1,000 new pairs of shoes, sandals & boots per year. On average the student body will lose about 7,300,000 strands of hair and the average growth of the 2000 plus trees on campus is 4,000 feet per year.

Gotta run for now.

Fraternally, Tom Weaver
