Any member who signed up someone up during the past couple months, please let them know about the new member open house meeting September 15th or September 26th.

We hope that you and the new members can join us for one of those dates. This will be a great opportunity for the new members to come in and learn more about what the moose is all about and to get them to know more about our club.

We are also looking for contractors to put in a bid to extend the patio and put a roof up. If you know anyone who is interested in bidding have them contact Stan for details.
