MESSAGE FROM 2018-19 BOARD OF OFFICERS

Summertime fun is on its way and our staff is up to the task. Don't hesitate to bring your fun ideas to our attention as we aim to please our membership. Lots of cold beverages and hot food are waiting ahead for all to enjoy.

Great News! Pay your dues here at Indian Lake Moose Lodge #1533 and you will receive \$10 in Indian Lake Moose #1533 "Moose Bucks". You must pay at the Lodge to qualify. If you pay Two Years Dues you will receive \$25 in "Moose Bucks". These "Moose Bucks" can be used for any purchase except for gaming. Remember! You must pay the Dues at the Lodge.

The Board has discussed the use of mugs in the Lodge. There will be a trial basis with these mugs. Mugs must be checked at the door when entering and leaving. NO EXCEPTIONS! They must enter empty and leave empty. Please work with us on this matter.

Starting on Friday nights at 6:00 pm and throughout the weekend all Moose members will have a wrist band put on them. This wristband will allow you to make purchases while you are here. Our staff must see the wristband in order to serve you. We are not allowed to serve Non-Members and with the previous practice it was very difficult to identify Members from Non-Members. We thank you for your understanding on this matter.

Our Weekend Entertainment is up and running on our deck. We have a wide variety of Bands hired throughout the Summer. Weather permitting, the Bands will play on the deck on Saturdays and Sundays. Bands will play from 3:00 pm until 7:00 pm on Saturdays and 2:00 pm until 6:00 pm on Sundays. Come join the Fun!

Congratulations to Nolan Numbers as he won a \$700 Scholarship given out by Ohio State Moose Association District #3.

There will be a Special Meeting on June 19th at 6:00 pm for the Purpose of Selling Off Assets. These assets include table tops and chairs that are being replaced. The date of the sale of these assets is yet to be determined but will probably be announced at the Special Meeting.

The Board of Officers would like to thank our Chairs and Table Tops Chairman, Michael Supinger and his Committee in getting this project completed. We can now move forward on other Projects. Our seawall should be fixed in the near future as we now have a signed contract with the contractor.
