MID YEAR CONFERENCE & ANNUAL CONVENTION GUIDELINES

To all Mid Year Conference & Annual Convention Participants:

The following guidelines will be implemented beginning with the Ohio State Moose Association Mid Year Conference 2012 and will continue with all Conventions and Conferences.

- 1) There will be no “Fundraising” tables or booths allowed in the Convention meeting room corridor. The only tables permitted will be the O.S.M.A. Men’s and W.O.T.M registration.**
- 2) Should you wish to “Advertise” your program or your fundraising effort – you will be permitted to display your message on an easel in this corridor. You must provide your own easel.**
- 3) Should there be a program which will directly benefit the Ohio State Moose Association, please contact the Association Secretary for a determination to approve/disapprove this program.**

The Executive Board of the Ohio State Moose Association has made this decision for the following reasons.

SAFETY – There has been concern in the past from both the Holiday Inn and the Ohio State Moose Association for the safety of our attendees as well as other hotel guests. Should there be an emergency (health, fire, ect) the congestion of this corridor would be unacceptable.

BENEFITS – The congestion caused by the “fundraising” display areas has proven to not be a benefit for the Ohio State Moose Association. Each “fundraising group” has been raising funds for a cause not related to the Ohio State Moose Association. The Association has received no benefit and the Association is unaware of where these funds are being appropriated.

Should there be questions concerning the above guidelines, please contact any Ohio State Moose Association Executive Board member or the Association Secretary.

Sincerely & fraternally,

John R. Sipes, Secretary
